

AU COURANT | of the moment

To our Valued Clients and Friends
A Message from Au Courant Salon, The DEN & POSH

It is difficult for all of us during this time of concern regarding the COVID-19 outbreak. Today, March 16th, Governor Inslee gave direction for salons and spas to close until March 31st. Given the proximity of the services we offer, social distancing is unattainable and therefore, for the safety of all we are following the Governor's direction.

We view this as an opportunity to do our part to help control the spread of COVID-19.

Updates relative to re-opening will be posted on our website and our salon voicemail.

We look forward to serving you once restrictions are lifted.
In the meantime, please take care and stay healthy.

As always, we will continue to offer you great service in a clean, safe and sanitary environment where you can relax and enjoy feeling and looking your best.

We appreciate you and your business.

Thank-You, Barb Hovsepian and The Au Courant Team
