Au Courant Salon and The DEN – Covid -19 Travel Policy

As we head into the holiday season, we feel the importance of addressing our travel policy.

It makes us happy to hear how safe you feel in our salon. This also pushes us to continue to create an environment you can trust.

In accordance with CDC travel guidelines we are managing to the following air travel policy for all staff and clients:

- Please allow for 14 days after your flight to book your salon appointment.
- If you have a student flying home, please plan their appointment accordingly keeping in mind the 14 day quarantine or timing for testing prior to any salon appointment.
- Proof of a negative Covid-19 test from your physician is acceptable upon arrival to your appointment prior to 14 days.

Thank you for partnering with us to keep our community and business healthy and safe. We appreciate your compliance and understanding.

Thank-You, Barb Hovsepian and The Au Courant Team
