

WE HAVE RE-OPENED!

Dear Clients and Friends,

We have put significant time and effort into enhancing our already strict sanitation protocols and are in alignment with Washington State and CDC guidelines for salons in an effort to help prevent the spread of Covid-19.

Our number one priority is the health and safety of our employees and our clients. Below are the salon rules due to Covid-19 and the enhancements we have made. We want you to feel safe and comfortable as you return to Au Courant Salon & The DEN:

- All services are by appointment only. No walk-ins.
- No early arrivals, please. You will be asked to wait in your car.
- Entrance and exit of the salon are through the front door only.
- Ear loop masks are required for everyone, both employees & clients.
- Product purchases without a service appointment can be pre-arranged with curbside pick-up only.
- If you exhibit symptoms of Covid-19, you will be asked to leave.

SAFETY AND SOCIAL DISTANCING ENHANCEMENTS IMPLEMENTED

- » Social distancing floor decals are placed throughout
- » Station separators for further protection have been installed
- » Consistent surface wiping protocols during our hours of operation
- » Structured cleaning and sanitation schedule
- » Masks worn by all at all times
- » 50% less salon capacity to aid in social distancing
- » PPE for all employees for both employee and client protection
- » Health questionnaire and thermal thermometer checks for employees and clients

Thank you for your support - we have missed you all and look forward to having you back in the salon. If you are on our call list, we will call to schedule your appointment prior to our re-opening. If you would like to be on our call-list, please leave a message at 206-232-1336. Please stay well. **-Barb Hovsepian, Owner**
